

# Include every citizen.

# Laurence Liang

Candidate for **Coordinator of External Affairs**

## Intercollegiate agenda to defend our rights

- Uniting with other cégeps to stand up for causes that matter from the climate to diversity and equal gender representation

## Student-centered employment platform

- Facilitating working opportunities, connecting students to universities, institutions and corporations based on personalized portfolio matching

## Diversity-focused events

- Monthly intercollegiate social events with changing themes that reflect the sociocultural diversity of our student population

## Open data initiative

- Using AI to improve our daily lives and making data analytics tools accessible to everyone
